## Benefits of Membership

A virtual chapter is bound together by a shared affinity and/or mission. They include a highly dispersed membership, having the ability to connect with peers on a regular basis and enjoy the camaraderie and inclusion.

Members participate in advocacy efforts to further the legislative and other objectives of MOAA. We are focused on legislation that affects all ranks of all services, to include currently serving, Reserve and National Guard and their families, retirees, veterans, and survivors.

In this time of major transformation of the military and the VA system, members strive to keep engaged and provide input to key leaders through the MOAA Government Relations team.

If you move, change duty stations, or even deploy, your membership follows.

## Our Chapters

MOAA has seven virtual chapters: The Uniformed Services Nurse Advocates Virtual Chapter; The Surviving Spouse Virtual Chapter; The Public Health Service Virtual Chapter; The Chaplains Virtual Chapter; The Judge Advocate Virtual Chapter; The Service Women and Families Virtual Chapter; and The Public Affairs Virtual Chapter. MOAA's virtual chapters are growing, successfully executing their respective missions, and complementing the efforts and membership growth of geographic chapters. Each Chapter is an independent affiliate of National MOAA.
